## Professional Summary

Highly motivated Cybersecurity Engineer and Computer Science student with hands-on experience in penetration testing, vulnerability assessment, and network security. Proficient with Burp Suite, Nmap, Metasploit, and CTF competitions. Passionate about securing systems and continuous learning.

## Education

2022– Present **Bachelor of Computer Science and Information**, Faculty of Computers and Information, Assiut University

## Certifications

Cisco Cisco Certified Network Associate (CCNA)  
DEPI Web Development with PHP  
Cisco Network Security Fundamentals  
Red Hat Red Hat System Administration I  
Netriders eCIR Certification

## Technical Skills

Languages Python, PHP, C++, Java, JavaScript  
Web HTML, CSS, Bootstrap, MySQL  
Networking NAT Configuration, Security Protocols, Troubleshooting  
Cybersecurity Penetration Testing, Vulnerability Assessment, CTF, Bug Bounty  
Tools Burp Suite, Nmap, Metasploit, OWASP ZAP, Wireshark, Packet Tracer

## Experience

2023– Present **Cybersecurity Intern**, CyberX & NTI  
○ Conducted penetration tests and vulnerability assessments  
○ Participated in CTF challenges and security labs  
○ Implemented network defense strategies  
○ Attended workshops on emerging security trends

## Projects

E-commerce Platform Developed secure PHP/MySQL backend with user authentication  
Network Optimization Configured NAT and shared networks for performance enhancement

## Conferences & Workshops

CyberX/NTI Cybersecurity workshops and practical labs  
Netriders Network security competitions and training
